

Al Bidda Global Services

About Us

Al Bidda Global Services is a Qatari company, with functional capabilities in providing Custom-er-oriented services in the Telecom, Banking, Real Estate and other diverse sectors. Our workforce is an efficient team of seasoned professionals, capable of delivering the required services and exceeding expectations. We are distinctive because of the nature of services and the customized service we provide. We are the first players in the Qatar market, to offer such an integrated service. Our advanced systems and highly effective formats are efficiently supported by an experienced field force to deliver the best possible results.

Al Bidda Global Services
is the brainchild of

Sheikh Suhaim Al-Thani

who had a successful banking stint with the Qatar Central Bank, after completing his bachelor's degree, with a major in Accounting from Qatar University.

Chairman's MESSAGE

As citizens of this great nation, each one of us have the responsibility to create possibilities and vistas for excellence. Under the leadership of His Highness Sheikh Tamim Bin Hamad Al Thani, Qatar continues its scintillating advance towards global excellence, serving as a progressive ecosystem of entrepreneurship, nurturing local capabilities and initiatives. As an organization committed to Qatar National vision 2030, Al Bidda Global Services takes each step with great pride, as we achieve each milestone and advance towards our National goals

Sheikh Suhaim Al-Thani
CHAIRMAN
